*Women's Retreat Ministry*

The Ebenezer Baptist Women's Retreat (EBWR) was birthed out of a vision for women to come together, be empowered and prepared to present Jesus Christ to other women in the world. Relationships are formed and with the help of God, we are strengthened.

The EBWR is an outreach ministry with women participating from North Carolina, South Carolina, Georgia and New York. This retreat takes place every September annually. Please feel free to join us! All women are welcome to come and receive a blessing!
